

Minutes of the meeting held under the Chairmanship of Additional Secretary (Adm., H, V & PSP) SBM-U on 20.12.2024 at 11:30 AM to review the progress of C&D off-take by CPWD, NBCC and DDA in Delhi-NCR

At the outset, Joint Secretary & Mission Director, SBM, MoHUA welcomed the chair and all participants and brief the objective of the meeting. Referring the importance of off-take of C&D waste in Delhi-NCR to CPWD, NBCC and DDA, it has been apprised to chair, Additional Secretary (Adm., H, V&PSP), that annual off-take of C&D waste is very far from the targets set by MoHUA. The chair has discussed the reasons for low off-take with all concerned in detail. Subsequently, Ever Enviro gave a presentation on the implementation of the annual off-take of C&D waste in respect of CPWD, NBCC & DDA. After the deliberations, the following action points were agreed upon:

Actionable points for EverEnviro:

- To make an online portal which covers all the details regarding production, availability, categories and off-take of C&D waste recycled products by mid-January, 2025.
- Strengthening of supply chain and logistics for door delivery of recycled products to government projects.
- Regular test reports are made available online/ on portal.
- Explore sale through authorized stockiest of government agencies.
- Provision of use of recycled material in RMC and other precast members.

Actionable points for CPWD, NBCC and DDA:

- Mandatory provision/ condition in tenders for use of 20% recycled sand and aggregate conforming to IS: 383-2016 in non-structural elements.
- RMC Plants supplying to government projects are to be mandated through conditions in tender for using 20% recycled sand and aggregate conforming to IS: 383-2016 for RMC supply for non-structural elements.
- Mandate to manufacturer of Precast Tiles using 20% of recycled materials from C&D plants containing recycled sand and aggregate conforming to IS: 383-2016.
- Quarterly demands should be shared in advance with operators for planning & scheduling plant operations by the contractors.
- Government departments start taking pride in using recycled materials and share in annual and sustainability reports.

Actionable points for MCD:

- To come up with an incentive scheme for off-take by private and government parties as per C&D rules 2016.

Actionable points for MoHUA:

- Call other operators of C&D recycled waste from Noida & Bakkarwala in next meetings.
- CBRI may work on quality of recycled C&D products.
- To set the next issuance of annual targets of C&D recycled waste off-take mandate for 2025-26 by February or March, 2025.
- In GRIHA Policy the marking for use of Recycled product to be modified by Ministry of New & Renewable Energy which can come out with model document.
- All projects should have estimation of requirement of recycled material.
